REMINISCENSES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

In the issue of the Gazette of September 14th, 1872, appeared two news reports which were of more than usual interest to the people of the county interested in religious matters of that time. The first of these referred to the completion of the Catholic Church at Menlo Park as follows. "A new Catholic Church will be dedicated on the fourth Sunday in September at Menlo Park by his grace the Archbishop. The dedication sermon will be preached by Rev. Father Gleason. These priests will be seconded by Father Dempsey and Father Bowman. On that day mass will be at 8:30 at the church in this place instead of at 10 as heretofore. The church to be dedicated is 37 by 70 feet on the ground with a spire 120 feet high, and when completed will cost about $5000. Adjacent to the church is a fine school house, in which school is expected to commence on the first Monday after dedication, the teacher being a lady. The lot upon which the church building stands was presented by Mr. Doyle, and is located at the corner of Ravenswood avenue and the public road, fronting the M. S. Latham property. Father Dempsey has been a resident of this county ten years, during which time he has built five churches His district takes in a small portion of Santa Clara County"

Following this report among the Catholic people, is an account of activity in the improvement of the Congregational Church in this city, which is also copied verbatim: "The work of remodeling and repairing the Congregational Church edifice in this town was begun last Monday by E. Allen, according to plans furnished by G. Geddes, architect of San Francisco, the contract price being $1950. The spire has already been taken down, and next week the building will be turned around by Curits Baird so as to face the south. A new tower, surmounted by a graceful spire will be built upon the southeast corner, the old clumsy gallery will be removed, additional seats put in the audiennce room, and an infant class room, pastor's study and librarian's room added to the lecture room. When finished the old church will be hardly recognized. It is expected that the work will be completed by the 1st of November.

Shortly after noon on Saturday, the 7th of September, 1872, after a short illness, J. V. Diller, the pioneer merchant of Redwood City, and one of the earliest settlers of San Mateo County as well as one of its most popular residents pased to his eternal rest. On the previous Wednesday evening Mr. Diller had retired to his bed apparently in his usual health. Early the following morning he woke and called for a glass of water, when the attendants at the hatel noticed that he exhibited signs of extreme weakness and nervousness. On Friday morning he grew worse, being delerious, but Saturday morning he again showed indications of revival. This lasted but a short time however, and before noon he began to sink rapidly and within two hours was dead. A native of New Holland, Pennsylvania, Mr. Diller was 54 years of age at the time of his death. While a resident of his native state he married, but before he decided to come West his wife died. Coming to this State shortly after the death of his wife he located at Redwood City in 1853 among its earliest settlers, and opened the first store in the place in a building afterwards known as the "old warehouse." In 1859 he built a brick building, and shortly afterwardds retired from the business. He remained out of business for about 18 months, when he decided to return to active business and the firm of Diller & Cooper was formed. He remained in the new business but a short time when he again decided to abandon mercantile pursuits and sold out to his partner. Deceased was also active in the early political history of the earlier days of the county, and was chairman of the first Board of Supervisors and was a member of the first Board of Trustees of the town. During all of his residence in Redwood City he was recognized as a leader among its enterprising and public spirited citizens, doing much for the advancement of the social and business interests of the city. It was largely due to his liberal spirit that the recently completed boot and shoe factory had been secured for this place, as it was he who donated to the enterprise the property upon which the factory was located, the value of this gift alone at that time being estimated at at least $2500. He had also been a most liberal supporter of the public school of the place making frequent donations toward its improvement and maintenance. At the time of his death, Mr. Diller was possessed of considerable means, owning much property, both in the town and among the adjoining farms.

Evidently the people of the town were more liberal in their support of entertainments intended for the assistance of religious organizations than is the rule at this day. About this time it is stated that a fair and entertainment was given for the benefit of the funds of the Baptist church of this place which netted the snug sum of $677.55. Sit up and look at this, ye people who think you are so liberal if you happen to accidently drop a dollar into the plate when it is passed.

NEW LICENSE LAW IS BEING PREPARED

City Council Proposes Many Changes in Ordiance Fixing Occupation Tax Rates.

Although it had been announced that the selection of a site for the location of the new municipal building would be discussed at the meeting of the Council Monday evening, there was no increase in the public attendance at the session, and but little argument was presented in favor of any of the sites. Although each proposed locaction was presented separately and discussion urged by Mayor Merrill, but few were ready to express an opinion. Even the Trustees were reluctant to exress a preference, and it required considerable urging by Chairman Merrill to secure a straw vote, which when finally cast indicated that two of the Trustees favored the old Kindergarden school site, while the present lown lot on Main street, California Square and the property of Mrs. Pescia, offered by H. C. Tuchsen, each received one vote. With a desire to secure some more complete expression of public opinion the question way again laid over.

The only bid submitted for the construction of sidewalks in front of the parks on Mound street was from Geo. Casey, of Menlo Park, who secured the contract at 10½ cents per square foot.

Ordinance No. 92, fixing the duties of the city electrical and mechanical engineer, was given its final reading and adopted.

The ordinance providing for the formation of the Board of Health was introduced and given its first reading.

An ordinance revising the existing general license tax laws of the city, prepared under the direction of the finance committee, was introduced and given a first reading. The new law includes in its operation a number of occupations not heretofore required to pay a license. As proposed by the new ordinance, which will come up for final action at the next meeting, the quarterly license rates upon the chief occupations affected will be as follows:

Merchants—Monthly receips $500 or less, $1; over $500 and less than $1000, $2; over $1000 and less than $2500, $3; over $2500 anb less than $5000, $4; over $5000 and less than $10000, $5; over $10000, $6.25.

Peddlers or solicitors, $25; express wagons, $5; telephone companies, $15; gas and electric light companies, $15; telegraph companies, $5; banks, $20; building and loan associations, $5; laundries or laundry agencies, $25; insurance agencies, $5; sewing machine agent; $5; piano and organ agents, $10; book agents, or street vendors, 55; bill posters or advertising sign painters, $2.50; messengers, $2.50 garbage wagons, $2.50; automobiles carrying passengers for hire, $5; carriages and hacks carrying passengers, $2.50; moving picture shows, $20; shooting galleries, $10; mediums and fortune tellers, $10; physicians, dentists or attorneys, $1; milk wagons, in addition to inspection fees of board of health, $.

Theaters, $2 each performance; circuses, $50 each performance; patent medicine vendors, $5 per day; auctioneers, $2.50 per day.

Livery and feed stables, real estate agents, hotels and restaurants, barber shops and photograph galleries are classed with merchants and will be required to pay licenses under that schedule.

Trustee Hynding urged that the Council should resume consideration of the long pending question of street improvement, which he considered had now been too long delayed. Some effort should be made without unnecessary delay to determine the character of improvement desired, and for this purpose the pavements used in some of the neighboring towns should be investigated. Mr. Hynding also stated that he had recently made another investigation of the oiled macadam streets at Watsonville and was convinced that a street of this character would prove satisfactory in residence districts. He argued that a street of this kind could be constructed at a comparative small cost and would thus not be made an unnecessarily heavy durden on the small property owner. Mayor Merrill urged that the matter should be again submitted to the people and that the property owners on each block should be given an opportunity to express their preference of the proposed pauements. At the same time he believed there should be no further delay, and favored the suggestion for an investigation of results in other places. It was finally decided that the entire Council should devote a day or two next week to an examination of the pavements in cities surrounding the bay.

Christopher Ducker, formerly of Mayfield, and well known in this city, passed away at his home in Palo Alto Tuesday morning, having been in ill health for the past two years. Mr. Ducker was a native of Germany, 68 years of age. He came to California just fifty years ago and for ten years was connected with the Claus Spreckles sugar refinery in San Francisco . Forty years ago he located in Mayfield and established a brewery which he conducted up to three or four years ago, when he sold his business and moved to Palo Alto. He is survived by his wife and two daughters, Mrs. S. N. Vandervoort and Miss Edith Ducker. The funeral will take place to-day at Alta Mesa cem-

Mr. Mehrten of the Bell will not be able to take possession of his new theatre on the 11th, but will give his first performance on the 18th. The delay is caused by the contractor failing to get the building finished on time. Mr. Mehrten is giving a change of pictures daily and on his opening night will introduce some fine musical numbers.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

The Halfmoon Bay Review is rapidly extending its influence ad usefulness on the coastside. For some time past it has been issuing an edition for Granada, and it now announces a similar edition for Moutara and Farallone.

Every resident of Redwood City should make it a special aim to put his premises in the most presentable condition for the Fourth of July. The city will be crowded with visitors on that day, and we can't afford to allow them to leave with a bad impression.

What Makes a Town?

The editor of a Nebraska paper asks "What makes a town."

Well, what makes a town anyway? Is it the wealth evidenced by fine houses and magnificent store buildings? These may attest the thrift and stability of certain people, but they offer no great inducement to the commercial or moral progress Is it the spirit of good order and law observance These are a factor only. The sleepiest old hamlet may have this spirit in rank abundance. Is it the schools and churches? May they ever increase, but they don't make a town—they only culture it. Is it the geographical location, the character of the surrounding country, the shipping facilities, or the natural advantages? None of these are absolute essentials.

Then what is it that makes a town anyway? Just one thing—the unity of the people, the existence of a common bond which causes business and social enemies to put aside all differences when it comes to boosting a town. No town ever made substantial progress without the get-together spirit unamiously adopted. This has rejuvinated old hulks of towns that were yawning their way into endless sleep. It has infused new blood into the heart of commercial life and made thriving cities of the most paralytic villages Natural advantages count for much and real prosperity cannot be built upon shifting sand, but any town with half a chance can be made to grow and thrive when its citizens join with one accord in the boosting program.

SOUTHERN MAN GAINS STREGTH

Campaign of Frank H. Mouser Proves Winning Feature of State Fight.

Frank H. Mouser, the sandidate for secretary of state, was in Redwood Citylast Monday and having secured signatures to his nominating petition in a short time filed the same with the county clerk. He was the first state and county candidate to file his petition. It now appears to be clear sailing for Mr. Mouser. He is certain to be the next secretary of state.

"I am gaining strength evedy day and confidently believe I will be the successful candidate for Secretary of State."

Thus spoke Frank H. Mouser.

Mr. Mouser is meeting with a most hearty reception in this city and as it appears everywhere, he is considerably in the lead over his opponents. During his stay here the popular candidate mixed among the prominent Republican voters and met the citizens personally.

Mr. Mouser has the backing of the influential peopleof Los Angeles and southern California in general, and he is making hosts of friends during his presecent canvass in this section of the State.

Of strikingg personality and wonderful magnetism. Mr. Mouser makes friends with whomsoever he comes across and it is a pleasure to meet him face to face. There qualities ies make him a most important fact or in the campaign and the other aspirants for the office he seeks have an almost formidible barrier placed in their way.

Uncerhill Property Sold.

The two pieces of property in this city belonging to the A. Underhill estate were sold in JudgeBuck's court Thursday, the judge acting as auctioneer. The lot on Broadway having a frontage of 30 feet was the first to be offered. George Underhill's bid of $3150 was raised ten per cent by Mrs. Carrie Hatch and from that amount the bidding became spirited between the latter and George Underhill. Finally the property was knocked down to the latter for $4,050. The price is considered a fair value for the lot with the improvements. The lot on Heller street was sold to Mrs. Carrie Hatch for $2300. Mr. Steele of Pescadero bid up to $2250 for the property and then stopped. The sales were confirmed by the court.

This evening the Redwood City band will give the people of this vicinity a reception concert. The band is now under the leadership of Mr. Carl Reitz, a prominent musician of San Francisco. Mr. Reitz expects to give a series of concerts in the near future. One of the features of the concert tonight will be a flugel horn solo by Mr. Reitz who performed on that instrument in the famous Gilmore's Band.

IRISH PEOPLE TO CELEBRATE

Local Celtic Residents Prepare for a Great Reunion.

The committee in charge of the great Reunion of the Irish residents of Santa Clara and San Mateo Counties report that they have all plans well under way. That this event which is to be held onSunday, June 26th, 1910 at Blackberry Farm will be without doubt the biggest and finest ever held in this valley. Arrangements have been made with the Interurban Rail road Company for special cars from Palo Alto, Mayfield and Los Altos for that day. Mr. Johnn O'Farrell of Fair Oaks, in San Mateocounty has charge of affairs in that vicinity. He will sell tickets to Blackberry Farm at a special rate covering everything. Conveyances are to be provided to take the residents of Menlo Park, Fair Oaks and that neighborhood to Palo Alto where they can board the special cars for Blackberry Farm. Mr. O'Farrell is very anxious to have a large nnumber of people present from Menlo Park,Fair Oaks, Redwood City and Palo Alto, Mayfield and Mt. View. A great time is promised at the Park. The finest barbecued meats will be served, and dancing and games of all kinds will pass the pleasint hours away. San Jose, Santa Clara, Gilroy and other places will send a large number of people.

Several dancers and athletes from San Francisco and Oakland will be present, and a big time is promised all who attend. The last two reunions were well attended and everybody had a fine time. Blackberry Farm is located at Monte Vista Station on the Interurban Rail road. It is an ideal spot for a reunion. Mr. O'Farrell is working hard and hopes his efforts will be rewarded by a large number of the people of San Mateo County and from the North end of Santa Clara County making the trip to Blackberry Farm on Sunday, June 26th, The proceeds of the affair go to help defray the expenses of Hibernian Convention to be held in San Jose in August of this year. All friends of the Irish people are invited to attend.

The cases of Thomas W. Forsythe against Mrs. Josephine Phelps and R. A. French against Mrs. Phelps that have been pending before the Superior Court for a long time were tried this week and submitted to the court on briefs. Forsythe seeks to recover the sum of $30,000 on commissions on the alleged sale of certain lands at San Carlos. French wants the return of $5000 paid Mrs. Phelps as an option for the sale of property at San Carlos. Ross & Ross are the attorneys for Mrs. Phelps.

MILITARY WILL AID

Three Companies of Soldiers to be Here for Celebration.

During the past week there has been a rush among the various committees to complete their arrangements for the Fourth of July Celebration and Director General Lovie states that from reports received gratifying progress has been made. It is now certain that the program of the day will be a most attractive one, and that there will be an abundance of entertainment, which will include some novel features.

Members of the various fraternal organizations of the city are especially active, and this feautre of the day will be a most notable one. All of the local lodges are making extensive arrangements for the entertainment of visiting brethren, as well as for attractive representation in the parade. Committees from each of the orders are holding almost daily meetings ,and many of them are completing the work of designing floats for the parade, and the arranging of headquarters. The members of the local Parlor of the Native Daughters of the Golden West have secured one of the large store rooms in the Barret-Fitzpatrick block, opposite the Germania Hall, which will be prettily decorated for the occasion and used as their headquarters for the reception and entertainment of visitors. The local Camps of the Woodmen of the World and Women of Woodcraft will have their headquarters in the grove of trees in the rear of the public school building where they have secured a location most appropriate to their orders. This will be arranged in an emblematic representation of a forest and beneath the welcome shade of the trees will be made for cosy places where the visiting neighbors may rest and refresh themselves. The local Court of Foresters are also making arrangements to entertain a large delegation of visitors from various sections of the county and will maintain elaborate reception head quarters, as well as appearing in the procession with a decidedly unique float. Visiting Odd Fellows will be entertained by members of Redwood City Lodge and Olive Branch lodge at the Odd Fellows Hall. These organizations have been granted a dispensation by the Grand Master permitting them to appear in the parade with their regalia and are preparing for a big turnout of members and visitors. The local Parlor of Native Sons are also active in their preparations and will be well represented both in the parade and in the entertainment of their visitors.

Arrangements are now practically completed which will secure for the Fourth of July Celebration in this city one of the greatest military displays ever witnessed in this county. One battalion of the Fifth Infantry of the National Guard, under command of Major G. L. Holtum and composed of the two companies at San Jose and one at Palo Alto are arranging to take an active and prominent part in the ceremonies and displays of the day. It is now intended that the three companies shall arrive here on the evening before the celebration and go into camp at some convenient place in the suburbs, thus affording an opportunity to witness actual military camp operations such as are seldom seen except in a regular military post. Not only will the soldiers participate in the parade, thus adding an attractive military feature, but a number of exhibitions will be given by these crack organizations of the State Soldiery. This in itself will prove an attraction well worth traveling miles to see, and will doubtless add a large number to the throng of visitors already expected.

ENGAGEMENT IS ANNOUNCED

Approaching Nuptuals of Prominent Young Lady of Woodside.

Mr. and Mrs. Charles Josselyn of Woodside have formally announced the engagement of their daughter, Mary, to Ettore Evanali of Rome Italy. The news comes as a pleasant surprise to society, as Mis Josselyn is one of the most popular girls in the Burlingame set, and her fiance has made many friends during the time he has made his home in San Francisco.

Miss Josselyn is a girl of rare charm and beauty and has been carefully educated here and abroad,where she has traveled extensively since the conclusion of her days in the schoolroom. She has taken a prominent part in the social activities of the winter in town, being a guest of all the Greenway assemblies and Colonial balls last season, and at the beautiful Josselyn country home at Woodside she has been a frequent hostess at house parties during the past two months.

Her sisters, Mrs. Gerald Rathbone and Mrs. H. McDonald Spencer, are among the most charming matrons of the younger married set.

Ettore Evanali is a distinguished foreigner, whose family is prominent in Italian affairs of state, and whose sterling qualities are as marked as are the beauty and grace of his fiancee.

No definite date for the wedding has been mentioned in connection with the engagement announcement, but it will be a brilliant affair when it takes place, owing to the social prominence of the bride-elect.

No Change in Lumber Situation.

There has been no change as yet in the labor situation involving the planing mills and the building trades council. All the mills and yards are shut down so closely in fact that a mill customer complained to the writer that he could not get a chance to pay a bill he owes. The same conditions obtain in all the towns along the peninsula, and complaints are beginning to be made by contractors that they cannot get lumber to carry on their contract work.

While the mill owners affirm that there is no change in the situation and that no steps have been taken to adjust matters, there is a persistent rumor that an adjustment of conditions will be reached this week and contractors have been given the assurance that deliveries of lumber will be made in a few days. The two lumber yards in this city have been closed since last Friday.

Big Ranch Changes Hands.

He will retire from all active business and for a time make his home at Mayfield. A visit to his boyhood home inFrance will be made next fall. He will also visit other parts of Europe. His many friends wish him a long life of peace and happiness.

REDWOOD YOUNG PEOPLE WED

Two Popular Local Couples Embark on Matrimonial Journey.

A pretty wedding took place at the home of the bride's parents Sunday afternoon in which Miss Mabel Lydia Mecredy and Frank W. Thompson were made husband and wife. The ceremony was performed by Rev. C. C. Kirtland in the presence of immediate relatives and friends. The house was beautifully decorated and the couple were joined beneath a floral bell. Both of the young people are known and highly esteemed by a large circle of friends. They are enjoying their honeymoon at Monte Rio and when they return to Redwood they will occupy their own home on Stambaugh street.

Miss May Geary, daughter of Mr. Mr. and Mrs. D. J. Geary of this city was married in San Francisco Monday afternoon to William Baldwin. The wedding took place at St. Mary's Cathedral in the presence of the immediate friends and relatives of the couple. Mr. and Mrs. Baldwin will reside in San Francisco where the groom will engage in business. Mr. Baldwin is well known here, having been associated with his brother, George Baldwin in the baking business.

Woodchopper Tires of Life.

Joaquin Franko, an Italian woodchopper, aged 78 years, who resided in a cabin on the mountain above Neuman's store committed suicide Tuesday by shooting himself with a shotgun. Franko placed the gun against the bank on the roadside and with the aid of a stick and piece of string discharged both barrels of the weapon. The entire upper portion of his head was carried away. The body was found by J. W. Bell who was coming from the coast and word was phoned to James Cronk, the deputy coroner who had the remains removed to this city and examined by a jury. An inquest will be held tomorrow at 10 o'clock. When the body was found it was being jealously guarded by a little dog owned by the deceased and the officer had great difficulty in taking possession of the body.

A NEW RAILWAY PROPOSITION

Another Electrical Transportation Scheme for Peninsula Section.

Articles of incorporation were filed in San Francisco Monday by the San Francisco and Transbay Railway Company with $1,500,000 capital stock. According to the articles, the new company plans to build a line of railroad from San Francisco to Niles, crossing the lower part of the bay near Dumbarton Point.

From San Francisco the road will be laid down the peninsula through San Mateo and Redwood City to the bay shore. Two branch lines are called for in the articles—one from Dumbarton Point to Warm Sprigs on the Alameda side, and the other from Redwood City to Woodside.

W. W. McClosky, an attorney, is said to be the promoter of the project, but he could not be found to make known the plans of the new company. Of the $70,000 paid up capital, $69,600 is subscribed by McClosky and $100 each by Directors E. Schnutenhaus, J. Comerford, A. Mulverhill and F. Block, all of San Francisco. McClosky's residence is given as Salada Beach.

RESULTS THAT REMAIN

Are Appreciated by Redwood City People.

Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one special kidney medicine that cures permanently and there is plenty of proof right here in Redwood City.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now states that the cure was lasting.

Fred Haussler, 101 Stambaugh street, Redwood City, Cal., says: "My kidneys were badly disordered and the secretions from these organs were unnatural. Knowing that difficulties of this kind often resulted seriously if allowed to go unchecked, I was anxious to get relief. Seeing Doan's Kidney Pills highly recommended, I got a box at P. A. Ryan's drug store and their use completely removed the symptoms of my trouble. In July 1907, I publicly testified in favor of Doan's Kidney Pills and at this time I gladly confirm that statement. During the past two years, I have been free from kidney complaint. This fact justifies my speaking more highly than ever of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Assessor's Instructions

To Owners of Real Estate and Personal Property

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where the property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns his books over to the Board of Supervisors on the first Monday in July The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor, as well as to yourself, to have your assessment correct when you go to pay your taxes.
